Major General James McCormack
Vice President, Massachusetts
Institute of Technology
Cambridge, Massachusetts

Dear General McCormack:

Thank you very much for your letter of 27 January
inviting me to speak at the meeting of the Air Force
Scientific Advisory Board on 20 April at the Air Force
Academy.

I sincerely regret that I will be unable to join
you on this occasion. Because of my many official com-
mitments and heavy work schedule, I have made it a policy
to try to keep my speaking engagements to a minimum.
Unfortunately, I cannot make an additional commitment
at this time. However, I would like to suggest that
Mr. Robert Amory, who is one of my Deputy Directors and
is very knowledgeable of the subject matter, represent
the Agency at your meeting.

Your courtesy in asking me to participate with you
in your program is indeed appreciated.

Sincerely,

Signature

Allen W. Dulles
